**FOURTH REQUEST FOR REFUND TO DEPOSIT ACCOUNT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Attached hereto is a copy of a Monthly Statement of Deposit Account (dated September, 2004) showing a charge of \$110 related to the above-referenced application. This charge is marked with Fee Code 1251, which is the Patent Office Fee for an extension for response within the first month. Also attached are copies of information from the U.S. Patent and Trademark Office's PAIR System for U. S. Patent Application No. 09/430,289 and U. S. Patent Application No. 10/613,073.

Upon review of this charge and the prosecution history for these applications:

(1) the deposit account statement incorrectly associates U.S. Patent Application No. 09/430,289 with attorney matter number 100947.02.

(2) the serial number listed on the deposit account statement corresponds with that of another Application (U. S. Patent Application No. 09/430,289) which has an attorney matter number of 100497.02. A charge of \$110 should not be made for that Application.

(3) there were no outstanding Office Actions for U. S. Patent Application No. 10/613,073 (corresponding to attorney matter number 100947.02) as of September 2004.

Accordingly, it is respectfully requested that this charge (\$110) be re-credited to Deposit Account No. 15-0461 and that the Patent Office acknowledge this credit in writing.

Respectfully submitted,
